

Ashley VS Stretching

Oh were you waiting for something to come take you away from the misery of sitting here alone?

Don't worry, you don't have to check your phone

Oh sure Ashley will return,

You know that is true

But in the meantime I have wisdom to share with you

Get up and stretch everything you can

If you can't stretch

Think about six dimensional dreaming

Did that take you for a loop?

Well it should like an Escher Etcher-Sketch

Stretch. Let yourself flex

Now what I know about Ashley and the way she plays this game

Though the plots may be different, her reactions are the same

So you have to relax and dig in

Cuz when she returns, you know:

The Screaming Will Begin!
