

Where's Ashley?

(Velvet Wells, August 1, 2020)

Where's Ashley? Where did she go?
Nobody seems to know
I see Pancake so she's not outside
Is she really just trying to hide -
From the game and the jump scare?
Is she afraid of what's hiding up there?

Oh, I know you care -- we want Ashley!

Where's Ashley?
When will she be back?
Is she afraid of a game heart attack?
Or maybe she went for a snack... and didn't bring enough to share

Where's Ashley?
Where's Ashley?
Don't get nasty.
Where's Ashley?

Now people say that she ran away
She'll come back to fight another day
I'm not sure if that's true or not
Until I see what she's got

Where's Ashley?
Oh here she is!
There she is!
There's Ashley!
